2 - INTRODUCTION

We **ARABILLA** Trading & contracting Co, take this opportunity to introduce ourselves as one of the leading companies specialized in the field of electro mechanical works (Electrical, plumbing, fire alarm, fire fighting).

ARABILLA has catered to the needs of government , semi government, defense organization , petrochemical plants, thermal power plant, Private & public sectors.

ARABILLA is one of the fastest growing electromechanical services in the state of Qatar.

3 - *MANAGER MESSAGE*

I am the founder of **ARABILLA** TRADING AND CONTRACTING COMPANY 16 years ago. Since then the company has been served to the community while providing reliable and quality assured services. Today it has reached as grade A contractor for low voltage installations by kahramaa.

The **ARABILLA** trading and contracting company also includes a Building and Civil and mechanical Engineering Section which is responsible for turnkey construction projects.

It also provides general support services telectromechanical operation and maintenance works, including building work , carpentry, and plumbing, L V electrical systems, gardening and purchasing services.

Electrical installation and maintenance are performs to international standards and typically includes heating, ventilation,

refrigeration, evaporative cooling, air conditioning, valves, mechanical and electrical motors, generators ATS/ATF panels compressors, elevators, rotating equipment, switchgear, transformers, distribution lines, power generators, telephone control systems, instrumentation and other electrical, mechanical, pneumatic and electrical equipment.

From its prime operational centre in Doha .Construction, Maintenance and Engineering Division is able to provide construction/maintenance/engineering services throughout the Qatar and can respond effectively to emergency situations, rapidly deploying experienced engineering and support personnel to site. Its main clients for operation and maintenance services include the private sector, the Group of companies, Government corporations and Q-tel too. Our valuable customers always welcome to receive such services from us.

Eng. Basil Malkawi

General Manager

OUR VISION:

To provide a world class, professional service in the Building Industry and be recognized as a close corporation that is professional and reliable in its expertise.

OUR MISSION STATEMENT:

We will take every opportunity to build a solid foundation and sustain a good reputation in the building industry by attaining the following:

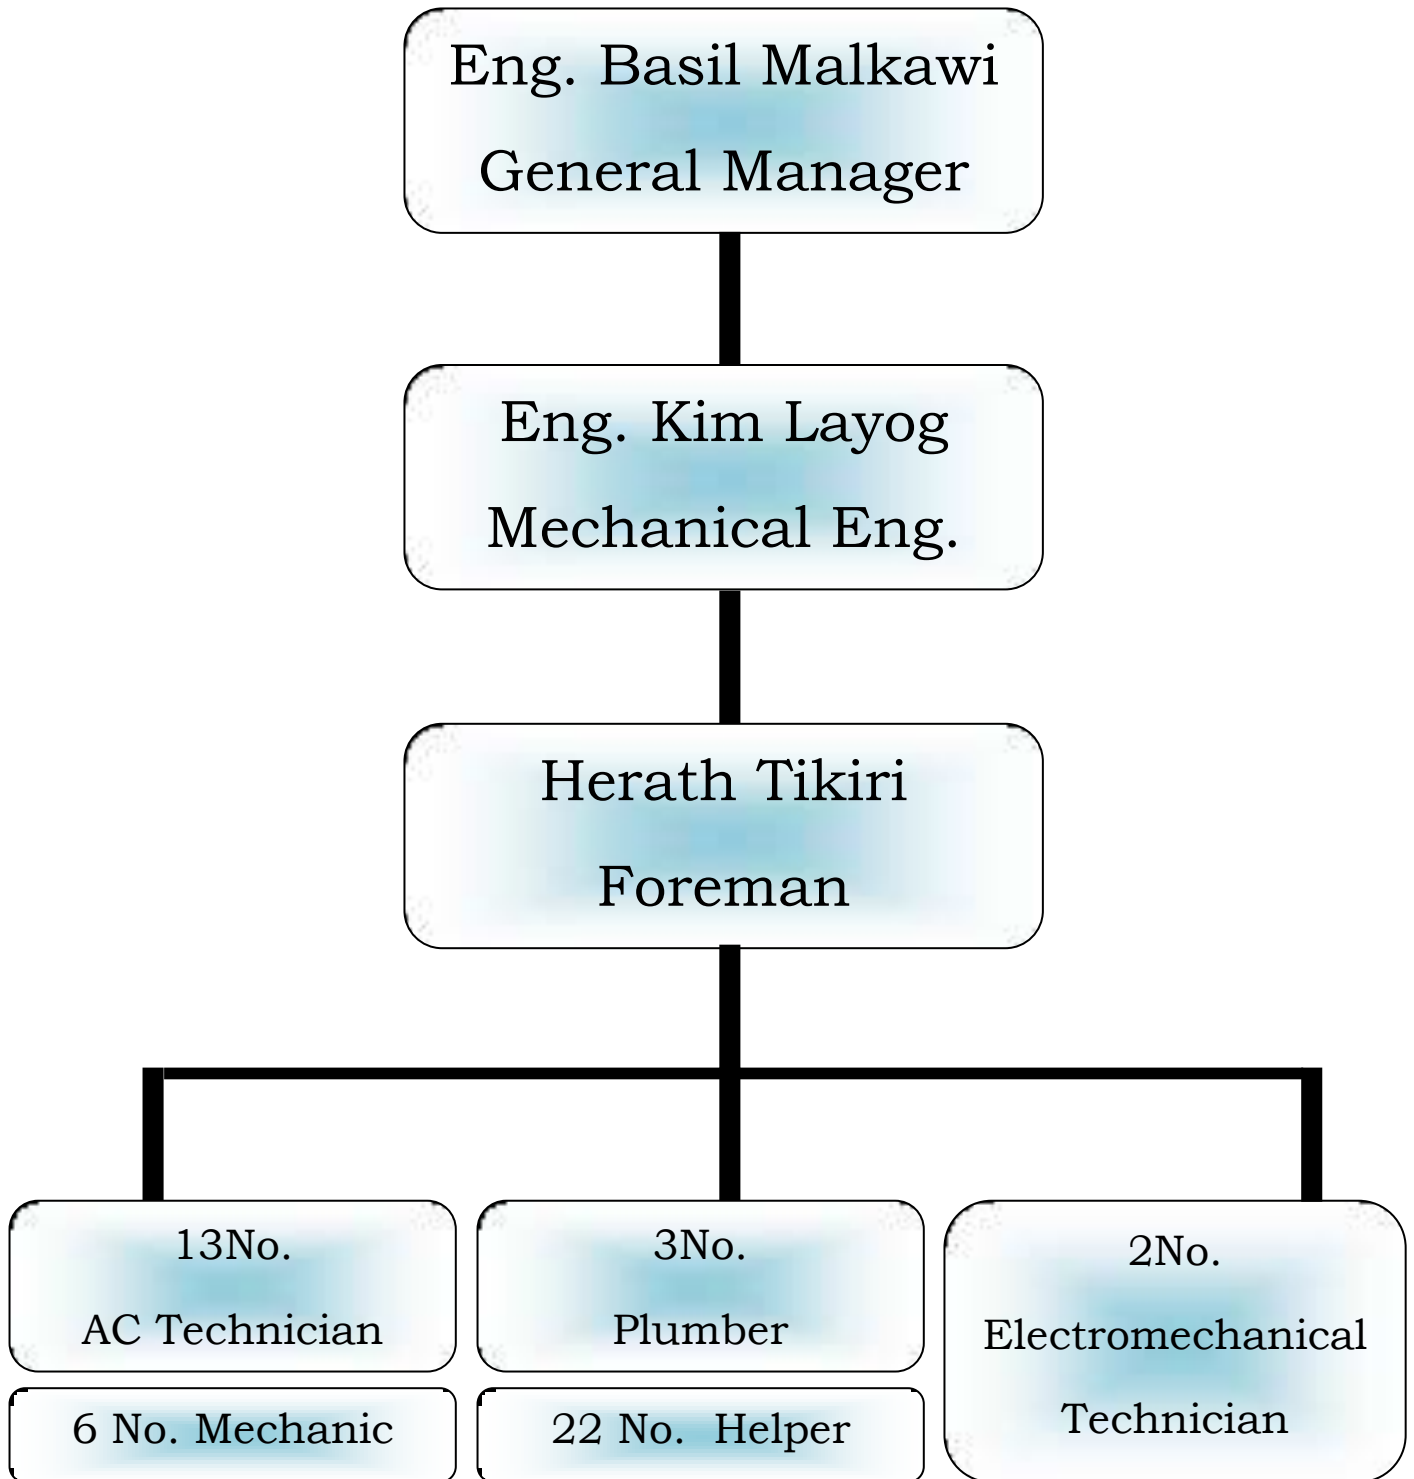

Cost leadership

Technological expertise

Superior quality

Recruiting of qualified staff and offering skill development and high supervision.

5 - ORGANIZATION CHART

6 - *SPECIALIZED SCOPE OF WORK*

Following are our specialized scope of work in electro mechanical

field for public building , office and hotels :

❖ **ELECTRICAL INSTALLATION**

❖ **HVAC**

❖ **PLUMBING AND DRAINAGE**

❖ **FIRE FIGHTING**

7- SCOPE OF WORK

1 – Fire Alarm System :

- Conventional fire alarm system.
- Addressable fire alarm system.
- Voice evacuation system.
- Fire telephone system.

2 – Fire Fighting System :

- Fire hose reel system.
- Sprinkler system .
- FM 200 fire suppression System.
- Wet Chemical Kitchen Hood Fire Suppression System.

3 – Maintenance of Fire Alarm Fighting System :

- Annual Maintenance of Fire Alarm.
- Annual Maintenance of Fire Fighting.

4 – Plumbing:

- Water supply Pipe.
- Drainage Pipe.
- Bathroom Accessories.

4 – HVAC:

- Maintenance of all kinds of HVAC Equipments Chiller, AHU, Condensing unit, walk in freezer, cold storage, Package units, etc..

8- ALL PROJECTS

No.	Project / Client	Subject / Details	Contract Duration
1	AL JAZEERA NETWORK	<p>Supply and installation of 2no SKM duct split unit (8 tons) with pre insulated ducts with all accessories (fire dumper, volume control dumper, install liner slot diffuser and diffusers grill, etc).</p> <p>Install flexible connection for AHU and FCU for UBS rooms at training centre in AL JAZEERA NETWORK.</p>	6 months
2	Qatar Armed forces Corp	<p>Supply and installation of 15 no of double door floor standing refrigerators for soldiers mess with all accessories and related works such as supply and installation of new electric panels and wires at tank regiment at Duhalliat camp</p>	6 months
3	Qatar Armed forces Corp	<p>Supply and installation of 48 General Split A/c units included all related works such as making opening holes, electrical works (additional two electrical panels) Install collective drain system for the A/C units at horse stable at Sailaiyah Camp.</p>	4 months

4	Aspire zone	<p>Completion of remaining works of chillers and cooling tower NO.7 at energy centre. Complete maintenance work for chillers and condenser no 7 brand (MAKWAY) cleaning, flushing with chemical and supply and install heat sensors. Supply and installation of butterfly valves and actuator (AUMA DN 450 brand) with control panel.</p> <p>Complete maintenance for the fan (diameter 6 m), fan alignment and complete maintenance of main shaft and bearings and gear box. Supply and installation of (108) no of jet spray nozzles and make complete sand separator system with all related works. Test and commissioning for the cooling tower.</p>	6 months
5	Qatar Armed forces Corp	<p>Replacement of fan coil and condensing units for officers mess by a tow new fan coil units and condensing unit brand Copland UK(R404)(4HP,8HP) and make full maintenance of both cold and freezer room such as replacement of shaker plat and making full maintenance of the internal and outside body at training institute Duhailiat</p>	5 months

6	Qatar Armed forces Corp	Replacement of four no central electric water heaters (O&S Smith) capacity 100 gallons for each and circulation pump with all related works like supply and install a new electric panel and drainage system for store (central supply and fuel store) at soldiers mess at SIALLIAH	3 months
7	Ministry of municipal and urban planning	Supply and installation of 3no of central package air condition (CARRIER brand) 30 ton Supply and complete ducting system all insulation works (foster, confess cloth and rubber insulation) for new fish market. Supply and installation of liner slot diffuser and diffuser grill for supply and return. Complete test and commissioning for the system.	1 year
8	Shikh Naief	Supply and installation of 8 no of package A/C units type for AL Gwaan hotel. Supply and install ducting system for 7 flowers with all related works (FCD, VCD...etc) Make complete insulation for ducts with confess cloth and fosters. Install linear slot diffusers and grill diffusers for supply and return.	16 months

9	Qatar Armed forces Corp	Supply and install of two no of chillers brand Train, capacity 16 tons, and install chillers water pipes (supply and return black steel pipes). Supply and install chillers pumps system, complete installation of gate valves strainers, gauges and all related accessories. Removal of all old chillers A/C units with accessories, at training institute Duhalliat camp.	6 months
10	Qatar Armed forces Corp	Supply and installation of new mechanism for automatic sliding door system (AL ADSANI) with all related electrical works at ministry of defense-Rumaillah	3 months
11	Qatar Armed forces Corp	Supply and install of 3 no of package units brand Train, capacity 25 tons, and complete ducting system all insulation works (foster, confess cloth and rubber insulation) . Supply and installation of liner slot diffuser and diffuser grill for supply and return. Complete test and commissioning for the system	1 year

12	Armed force, Doha Naval Base	<p>Supply and installation of new irrigation system for the play ground of Naval base. Complete design supply and installation of PVC pipe network, supply and installation of Hunter sprinklers and QCV, valves. Supply and installation of set system pump(duty, standby and jokey)with all accessories (gate valves, gages ,... etc)</p> <p>Supply and installation of 4 stations irrigation (hunter).</p> <p>Complete test and commissioning for the system.</p>	4 months
13	Qatar Armed forces Corp	<p>Supply and installation of new irrigation system for the main entrance of ministry of defense. Supply and installation of tow set pump system and 4 tanks capacity (5000) gallons.
